A Double Help for the Bilious.
In addition to that chief remedial measure—the use of Hosieler's Stomach Bitters—persons suffering from an acute bilious attack, will facilitate recovery by the use at first of milk and lime water and thin gruels, and by a very gradual return to the use of solid foods. Fatty substances should be excluded from the diet. Blue pill is a remedy of doubtful safety, particularly if there be nausea and vomiting, frequent vomitings of liver trouble. The Bitters, provided its reforming action be not retarded and marred by indiscretions in diet, will soon restore the equilibrium of and action of the liver, stomach and bowels, all three disordered by biliousness. In all forms of malarial disease, which in every one of its phases presents indications of liver trouble, Hosieler's Stomach Bitters is the foremost of specifics. The light of over thirty years' experience also shows it to be a fine remedy for rheumatism, kidney troubles, dyspepsia, nervousness and debility.

Not a California Bear.
Anybody can catch a cold this kind of weather. The trouble is to let go, like the man who caught the bear. We advise our readers to purchase of **D. W. Matthews & Co.,** a bottle of Santa Abie, the California king of consumption, asthma, bronchitis, coughs and croup cures, and keep it handy. 'Tis pleasing to the taste and death to the above complaints. Sold at \$1.00 a bottle or 3 \$2.50. California Cat-cure gives immediate relief. Give it a trial. Six months treatment \$1.00, sent by mail \$1.10.

Brace Up.
You are feeling depressed, your appetite is poor, you are bothered with headache, you are fidgety, nervous, and generally out of sorts, and want to brace up. Brace up, but not with stimulants, spring medicines, or bitters, which have for their basis very cheap, bad whisky, and which stimulate you for an hour, and then leave you in a worse condition than before. What you want is an alternative that will purify your blood, start healthy action of liver and kidneys, restore your vitality, and give renewed health and strength. Such a medicine you will find in **Electric Bitters** and only 50 cents a bottle at **Dr. H. W. Cox's** drug store.

A WORTHY ENTERPRISE.
On May 1st, last, about four months ago, Dr. Gilbert opened an office and sanitarium in the bank block, Salem, and advertised to treat chronic diseases on scientific principles. Since that time his practice has been steadily increasing—much so that he was obliged to secure more room and increasing facilities, and now finding himself unable to attend to his numerous patients, he has entered into partnership with **Dr. M. W. Wemp,** of Detroit, Michigan, a physician and surgeon of large experience, thoroughly competent, and a specialist in disease of the eye, ear, throat and nasal cavities—who has come with his family to make his home in Salem. The new firm will be known as **Dr. Gilbert & Wemp** and will occupy the commodious rooms in the bank block, for office and sanitarium, and will conduct their business under the name and style of **The Oregon Medical and Surgical Institute.** It is their intention to spare neither pains nor expense in their efforts to make this the most complete institution for the treatment of all forms of diseases, especially chronic, in the northwest. Medicated vapor baths, electro-magnetism, oxygen and massage, together with all modern and scientific appliances for the thorough cure of disease, will be used. Examinations will be free, and charges strictly moderate. Address **Dr. Gilbert & Wemp,** bank block, or postoffice box 178, Salem, Oregon.

The tramp was secured by the aid of other officers, and was arraigned in Justice Humphrey's court this morning where he was bound over in \$500 bonds to await the action of the grand jury. In default of bail he was incarcerated in the county jail.

Sure Cure for Smallpox.
A writer in the Monmouth Observer gives the following as a sure cure for smallpox: "Sulphate of zinc, 1 grain; foxglove (digitalis), 1 grain; half a teaspoonful of sugar; mix with 2 tablespoonful of water. When thoroughly mixed, add four ounces of water. Take a spoonful every hour. The disease will disappear in twelve hours. For a child, smaller dose, according to age. If countries would compel their physicians to use this, there would be no need of pest houses. If you value advice and experience, use this for that terrible disease."
